UNFINISHED BUSINESS

16

S.B. No. 788—Bradford.

An act relating to workers' compensation.

Legislative Counsel's Digest of Assembly Amendments

SB 788, as it passed the Senate, prohibited the consideration of race, religious creed, color, national origin, age, gender, marital status, sex, sexual identity, sexual orientation, or genetic characteristics in determining the approximate percentage of the permanent disability caused by factors other than a work-related injury.

The Assembly amendments instead revised that prohibition to include race, religious creed, color, national origin, gender, marital status, sex, sexual identity, or sexual orientation, and exclude age and genetic characteristics.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—37. NOES—0.)

2021

Jul. 1—In Senate. Concurrence in Assembly amendments pending.

17

S.B. No. 392—Archuleta et al.

An act relating to common interest developments.

Legislative Counsel's Digest of Assembly Amendments

SB 392, as it passed the Senate, among other things, required a common interest development association to deliver documents requiring “individual delivery” or “individual notice” by email unless a member revoked consent to receive documents by email, and authorized an association to deliver those documents in another specified manner only if 2/3 of all association members approve of delivery in that manner in an election. The Senate amendments required an association to include certain notices in an annual solicitation to members, including notification that if a member provides an email address to the association, the association may send required documents and notices to the member by email unless the member requests in writing to receive notices in paper form. The Senate amendments authorized an association to post documents required to be delivered to members by “general delivery” or “general notice” on the association’s internet website.

The Assembly amendments, among other changes, require delivery of documents requiring “individual delivery” or “individual notice” in accordance with a member’s preferred delivery method, and delete the provision authorizing an alternate delivery method upon approval of 2/3 of all association members. The Assembly amendments require the preferred and alternate or secondary delivery method for receiving notices to include the option of receiving notices at a mailing address or valid email address, delete the requirement that an association provide certain notices to members in the annual solicitation, and define “valid email address.” The Assembly amendments authorize the posting of “general delivery” or “general notice” information on an association’s internet website only on an internet website maintained for purposes of distributing information to members and requires the posting to be in a prominent location. The Assembly amendments revise member email information in membership lists that is considered an “association record” by including only email addresses provided by members as their preferred or alternate or secondary delivery methods.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—36. NOES—0.)

2021

Jul. 12—In Senate. Concurrence in Assembly amendments pending.

18

S.B. No. 333—Eggman et al.

An act relating to public contracts.

Legislative Counsel's Digest of Assembly Amendments

SB 333, as it passed the Senate, increased the threshold for when the San Joaquin Regional Transit District is required to make certain purchases by competitive bid, as described, from \$50,000 to \$150,000. SB 333, as it passed the Senate, also required, for certain purchases that exceed \$5,000, but do not exceed \$150,000, the district to obtain, to the extent practicable, a minimum of 3 written or oral quotes that permit the district to compare the prices and terms for the purchase.

The Assembly amendments modify the above-described thresholds from \$150,000 to \$75,000.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—37. NOES—0.)

2021

Jul. 15—In Senate. Concurrence in Assembly amendments pending.

19

S.B. No. 13—Dodd.

An act relating to local agency formation, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 13, as it passed the Senate, reestablished a pilot program, effective immediately and until only January 1, 2026, under which local agency commissions in the Counties of Napa and San Bernardino may extend services outside their local jurisdictional boundaries to support existing or planned uses involving public or private properties, subject to approval at a noticed public hearing in which the commission makes all of specified determinations. These include that the commission determine that the extension of service will not result in adverse impacts on open space or lands.

The Assembly amendments revise that provision to specify that the commission determine that the extension of service will not result in adverse impacts on open space or agricultural lands. The Assembly amendments also make a minor revision to the urgency provision.

Vote: 27. Substantial substantive change: yes.

(Final vote in the Senate: AYES—38. NOES—0.)

2021

Aug. 16—In Senate. Concurrence in Assembly amendments pending.

20

S.B. No. 294—Leyva et al.

An act relating to public retirement, and making an appropriation therefor.

Legislative Counsel’s Digest of Assembly Amendments

SB 294, as it passed the Senate, revised portions of the Teachers’ Retirement Law and Public Employees’ Retirement Law to remove a 12-year limit on the maximum amount of service credit that can be earned by a member for a leave of absence to serve as an elected officer of a public employee organization. These provisions apply to employees of school districts and community college districts.

The Assembly amendments also provide that this leave is in addition to any leave to which public employees may be entitled, as specified, and with respect to community college districts employees, apply the provisions retroactively to service as an elected officer in a public employee organization occurring after August 31, 1978. The Assembly amendments prescribe a process and conditions for receiving service credit in this context, generally prescribe the rates at which contributions are to be made, as specified, and make conforming changes.

Vote: 21. Substantial substantive change: yes.

The Assembly amendments instead extend that requirement to each April 30, beginning April 30, 2022, until April 30, 2025. The Assembly amendments also require the licensee to provide that information through the department's online reporting portal for the period of time in the prior calendar year during which the licensee was approved to provide palliative care, as specified.

SPECIAL CONSENT CALENDAR #8

To be taken up Thursday, August 19, 2021

230

S.B. No. 822—Committee on Natural Resources and Water (Senators Stern (Chair)) et al.

An act relating to marine resources.

Legislative Counsel's Digest of Assembly Amendments

SB 822, as it passed the Senate, among other things, made a nonsubstantive correction to a specified provision requiring the State Lands Commission to adopt a regulation that requires an owner or operator of a vessel carrying, or capable of carrying, ballast water that operates on the waters of the state to comply with specified federal law.

The Assembly amendments require the master, owner, operator, or person in charge of a vessel to report a ballast water treatment system problem during a voyage to the commission as soon as practicable. The Assembly amendments further require the commission to consult with the United States Coast Guard to attempt to identify an alternative, environmentally sound method of ballast water management in those circumstances, as provided, for its mandatory use.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—37. NOES—0.)

SPECIAL CONSENT CALENDAR #8—Continued

To be taken up Thursday, August 19, 2021—Continued

232

S.B. No. 498—Umberg.

An act relating to attorneys.

Legislative Counsel's Digest of Assembly Amendments

SB 498, as it passed the Senate, expanded the definition of “indigent person” in the State Bar Act. SB 498, as it passed the Senate, further required, for the purpose of that definition, that the income of a person who is disabled be determined after deducting disability compensation from the United States Veterans Administration paid to a veteran with a service-related disability. SB 498, as it passed the Senate, included disabled veterans within special client groups for purposes of the certain other projects that may qualify for funds.

The Assembly amendments retain those changes to existing law and add the Legislature’s intent relating to the distribution of funds for the provision of legal services to indigent persons. Specifically, the Assembly amendments specify that it is the intent of the Legislature that grantees may use the new definition of “indigent person” for determining eligibility for services, and for use of the funds distributed pursuant to existing law. The Assembly amendments further specify that it is the intent of the Legislature that, for funds distributed prior to January 1, 2024, the State Bar of California would use the definition of “indigent person” as it read on January 1, 2021, as provided.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—38. NOES—0.)

2021

Jul. 15—In Senate. Concurrence in Assembly amendments pending.

SPECIAL CONSENT CALENDAR #8—Continued

To be taken up Thursday, August 19, 2021—Continued

233

S.B. No. 756—Hueso.

An act relating to energy.

Legislative Counsel’s Digest of Assembly Amendments

SB 756, as it passed the Senate, defined “low-income customers” for purposes of the Energy Savings Assistance Program as persons and families whose household income is at or below 250% of the federal poverty level.

The Assembly amendments instead, from January 1, 2022, to June 30, 2022, inclusive, define “low-income customers” for purposes of the program as customers with annual household incomes that are no greater than 200% of the federal poverty guideline levels. The Assembly amendments would, on and after July 1, 2022, define “low-income customers” for those purposes as persons and families whose household income is at or below 250% of the federal poverty level, and would prohibit the Public Utilities Commission from increasing the authorized budgets for the program based on that expansion of income eligibility.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—40. NOES—0.)

2021

Jul. 15—In Senate. Concurrence in Assembly amendments pending.

234

S.B. No. 821—Committee on Natural Resources and Water (Senators Stern (Chair)) et al.

An act relating to water, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 821, as it passed the Senate, provided that members of the Delta Independent Science Board are not employees of the Delta Stewardship Council and required the members of the board to exercise their scientific judgment and perform their functions independently from the council.

The Assembly amendments require the council to contract for the services of the members of the board, as specified, and exempt those contracts from specified provisions of law governing public contracting. The Assembly amendments further require the council to establish procedures for contracting for the services that are subject to those contracts. The Assembly amendments declare that SB 821 is to take effect immediately as an urgency statute.
